To

The Chief Secretary to Government,
through the Financial Secretary.

Sir,

My extended tenure of office in the Financial Secretariat is due to expire by the end of December 1921.

2. In the event of my transfer from the post of Under Secretary Finance, I beg to invite kind reference to my representation -- dated 18th March 1919 for a transfer to the General and Revenue Department and the reply of Government thereto (Vide. papers -- attached.)

3. My request is in accordance with the standing orders and I would urge it for the sympathetic consideration of Government on the following grounds:

4. My promotion to the grade of Deputy Comptroller in the Account Department was recommended to Government so far back as in 1916 and was considered as reasonable. The arrangement has not however materialized. I confess I see no prospect of preferment in the Account and Audit Department, in the near future. There has been, recently, a temporary vacancy in the post of Deputy Comptroller on two occasions and on both of them the office has remained unfilled.

5. Though, I believe, I am fully qualified for higher posts in the General and other Departments, open to Officers included in the

(7

Civil Service, I fear, I might be under a disability, when my turn for promotion in those Departments presents itself if I should not possess the practical experience of having worked in those Departments.

6. In the above circumstances I venture to hope that my request will be favourably viewed by Government.

I have the honour to be,
Sir,
Your most obedient servant,

Srinivasa Iyengar
Under Secretary, Finance.

Bangalore,
8th September 1921.

I strongly support Mr. Srinivasa Iyengar's request for a -- transfer to the Revenue Department.

Assistant Commissioners drafted to the Accounts Department will, under the new arrangement, be sent back to the Revenue Department after five years. The benefit of the same arrangement should, I think, be extended to such of the officers of the Accounts Department, as are qualified for work in the general line.

Mr. Srinivasa Iyengar possesses the best qualifications for such work. He has no near prospect of advancement in the Accounts Department and until one of the Deputy Comptrollers' places becomes available for him, he may well be posted for work in the Revenue -- Department.

One of the objects of the present method of recruiting the gazetted staff of the Accounts Department is that the General and the Accounts Departments may both benefit by the interchange of - officers and such object will be well served by granting the reques of Mr. Srinivasa Iyengar.

COMPTROLLER'S OFFICE,

Bangalore, dated 9th November 192 21.

Dear Sir,

I am in receipt of your D.O. letter No.2221 of the 28th ultimo, regarding the transfer of Mr.B.Srinivasa Iyengar, Under Secretary, Finance Department. Mr.Srinivasa Iyengar is an Account Officer, whose services, from the date of his appointment, have been rendered in the Account Department, the work in the Financial Secretariat, where he has been for the past six years, being allied to that of this Department. His intimate knowledge of the details of the work of the Account Department and the experience he has gained in the Account and Financial Departments would be of immense benefit to the Account Department, if his services could be utilized for that Department. But, as, if he is transferred to the general line, he has the near prospect of being appointed a Deputy Commissioner, in view of the position he holds in the list of Senior Assistant Commissioners, I do not consider it desirable to post him to this Office against his wish.
